Dear Priyanka,

Congratulations on receiving a Gary Marsden Travel Award! As per your request, the award will cover your registration fee and publication fee for the upcoming Mobile HCI conference.

Please register for the conference, and on the final page of the registration, enter the code **GMMHCI21**.

This code will apply a 100% discount, and your fees will be fully covered.

If you have any issues with the process, please reach back out and I'll put you in touch with the Mobile HCI registration team.

Best,

Kristi
